

User:Wd6awp

From "AllStarLink Wiki"

Hi, I'm Tim Sawyer. I've been involved with AllStar for many years, fulfilling account and node number request. I helped Jim Dixon (may he rest in peace) with the original voter board (pre RTCM) and have one of the very first RTCM systems on the air.

Living the full time repeater guy dream

Allmon

I'm the developer of Allmon.

There are some who call me... Tim?
